Varanise Booker, affirms the following under penalty of perjury:

or

being duly, deposes and says:

1   I am the plaintiff in this action, and I respectfully submit this affidavit/affirmation in opposition to the motion entered on 09/20/2023, made by Fox Rothschild LLP.

2   I have personal knowledge of the facts which bear on this motion.

3   The motion should be denied because I did not receive the information in a timely manner to prepare the requested information. I continue to receive information late. I am not an attorney, and the material has been difficult for me to interpret. Currently, I am unable to obtain a lawyer. The wording of these documents is very misleading. It led me to believe that I only needed to be present at the hearing to be heard and no further action was needed. After speaking with a paralegal, it was strongly suggested a written respond is needed, it was recommended I also attend the hearing via teleconference on Oct 19, 2023. Going forward plans is to seek a legal person to review all new documents. In view of the foregoing, it is respectfully submitted that the motion should be denied.

I declare under penalty of perjury that the following is true and correct.
